

Addendum #2

October 24, 2025

Crooked Creek Cleanup Project

RFQ #25-10-002

City of Bennettville, SC

Addendum No. 2 is hereby incorporated and made part of the Proposal Documents.

Except as specifically modified by this document, all other terms and conditions remain in full force and effect.

Q & A Addendum

1. Proposed Area: Could you specify the exact boundaries of the area that needs to be addressed for the project? **Map Attached**
2. Expectations: Are there specific expectations or requirements we should be aware of regarding the work to be completed? **No specific Expectations**
3. Access Through Residential Areas: Since we may need to go through residential areas to access the creek, are there any specific guidelines or permissions we need to consider? **The contractor/s will work jointly with the city to obtain permissions for access as necessary.**
4. What is the estimated linear foot count/miles of the creek that is needing to be cleared/cleaned. **Map Attached**
5. Are there any coordinates to this project? **Map Attached**

END OF ADDENDUM No. 1
