10. EVALUATION AND SELECTION

An Evaluation and Selection Committee will evaluate responsive proposals and select the proposal representing the best value to the City. The City may consider the following criteria and may refine weights before issuance:

CITY OF BENNETTSVILLE, SOUTH CAROLINA - ROADWAY REPAIR RFP

Criterion	Description	Points
Qualifications and Comparable Experience	Relevant municipal paving and repair experience; licenses; demonstrated performance.	20
Technical Approach and Methodology	Understanding of conditions, repair methods, drainage corrections, sequencing, traffic control, quality control, and risk management.	25
Project Team, Equipment, and Capacity	Experience and availability of personnel, equipment, suppliers, and subcontractors.	15
Schedule and Completion Plan	Reasonableness, responsiveness, and ability to minimize disruption.	10
Past Performance and References	Quality, timeliness, claims history, responsiveness, and warranty performance.	10
Cost Proposal	Total cost, unit prices, completeness, reasonableness, and value.	20
TOTAL		100

The City is not obligated to select the lowest-cost proposal. The City may request interviews, oral presentations, site visits, financial information, or a best and final offer. Award is contingent upon successful negotiation, verification of responsibility, funding availability, and required approvals.

11. CONTRACT REQUIREMENTS

11.1 Insurance

Before beginning work, the selected Contractor shall provide certificates of insurance from carriers authorized to do business in South Carolina. Final limits will be stated in the contract. Unless revised by the City, anticipated minimum coverages include workers' compensation as required by law; employer's liability; commercial general liability; automobile liability covering owned, hired, and non-owned vehicles; and umbrella/excess liability when required. The City shall be named as an additional insured for ongoing and completed operations where applicable.

11.2 Bonds

The City will not require a bid bond for this project.

11.3 Licenses and Legal Compliance

The Contractor and subcontractors shall maintain all required licenses and comply with applicable employment, immigration, tax, nondiscrimination, procurement, safety, environmental, and public contracting requirements, including City Code provisions applicable to responsibility and disqualification.

11.4 Indemnification

The final contract shall require the Contractor, to the fullest extent permitted by law, to defend, indemnify, and hold harmless the City and its officials, employees, and agents from claims, damages, losses, and expenses arising from the Contractor's work, negligence, breach, or violation of law, subject to terms approved by the City Attorney.

11.5 Changes and Payment

No change in price or time is valid without written authorization by the City. Payment applications shall include accepted quantities, supporting tickets, photographs, subcontractor information, and other documentation
